STOCK:

Stock or restored to stock Camaro with no non-stock looking parts. Appearance must be as it left the factory. OEM paint colors and/or stripes. OEM style wheels. Tires no more two sizes larger than the original factory. OEM only accessories. Aftermarket OEM looking radio. No apparent add-on sound equipment. OEM optional equipment allowed (i.e. headers, cold air kit) Additional Safety Equipment acceptable to factory standards. Please see the classification criteria page to determine your class.

STREET:

Modifications to paint. Wraps. Custom wheels and/or tires, Any engine modifications, i.e. cam, intake, heads, aftermarket cold air kits, non-OEM headers, Non-OEM cat back exhaust. Deleted exhaust. Suspension lowering kits. Aero kits. Aftermarket Spoilers. Wide Body kits. Underside lighting Kits. Under hood murals and lighting. Color accenting in interior or exterior. Speaker mounts. Trunk monkeys. Trunk mounted sound equipment, etc. You can have up to three of these modifications to remain in the street class. Please see the classification criteria page to determine your class.

MODIFIED:

Based on the same information above, if you have four or more these your Camaro would be classified as Modified. Please see the classification criteria page to determine your class.

EMCC / JUDGES:

We reserve the right to change any classification prior to or after being judged. EMCC will notify owner of this change.

Notes: Exterior: Paint should be clean without any scratches, dents, or chips. Glass should not have any cracks, scratches or chips. Interior should be free of tears, cracks, or rips in seating and floor area. Dash pads should not have any cracks or tears and headliners should also be free of any tears or rips. Engine bay should be clean as far down as is visible. All hoses, spark plug wires, and coolant lines should be consistent in appearance. Wheels should be clean and clear of any road rash or tire damage.

Most of all remember you are here to have fun and show off your Camaro, enjoy the company of other Camaro enthusiasts. Part of the Judging process is to talk to each individual owner and have you relate your Camaro's story to us. Use this time to convince us that your Camaro is the best.

As always enjoy the ride, your EMCC judging team.
